GLOBAL EDUCATION FAIR

# People. Purpose.

## *A clearer connection.*

Based in Mumbai, EDUIN GLOBAL connects universities, education organisations, students and families around global study opportunities.

### OUR VISION

Make global education easier to explore, with useful information, accessible conversations and meaningful connections between students and institutions.

Illustrative university partnership image.

### Informed by student recruitment experience

EDUIN GLOBAL's approach is informed by the organiser's experience working in student recruitment, with a focus on student outreach and understanding study goals.

### HOW WE REACH STUDENTS

#### 01 Marketing campaigns

Promote approved university programmes and invite interested students to fairs and webinars through digital campaigns.

#### 02 Education agent network

Work with education agents and student consultants to connect students with relevant programmes and university conversations.

#### 03 Campus outreach

Our team and agents contact and visit engineering colleges, medical colleges and private schools, coordinating campus permissions and visit schedules.
